Kid of the Month!

May 2010

Allison Saindon-Discuillo

Ally is brand new to the ASP this spring and fits right in! Ally can be found out on the playground most days, playing basketball and giving many of the other basketball players a run for their money! She also enjoys arts & crafts and hanging out with friends. She has a great sense of humor and gets along swimmingly with staff. Ally is a great role model to all the kids in our program! She is respectful and responsible, but still loves to have fun! Ally is a wonderful addition to the ASP and we look forward to her being a great part of the program next year!!

Keep up the great work, Ally!
