DIRECT DIALOG

~Direct Dialog~ April 2017~

March sure was a long month since winter decided to hold on a little longer (pesky groundhog!), but it still flew by here at MYSB since we packed it with so many fun things! We would like to thank MHS for partnering with MYSB on March 16th for our showing of the documentary *Screenagers: "Growing up in the Digital Age"*. We had over 125 people in attendance (including high school & middle school students), and we hope that everyone took a little something away from the message being shared! Thank you all for coming!

Please join MYSB on **Tuesday, April 4th** at Mohegan Sun for **Ben & Jerry's FREE CONE DAY**; between 12 noon and 10:00 p.m. See inside for details about this event and its importance for MYSB!

On **Thursday, April 20th** MYSB will be hosting our **Second Annual Community Conversation** in partnership with The Mayor's Orange Ribbon Coalition, Montville High School, and SERAC. This year's discussion will focus on the connection between **Mental Health & Addiction**. Please see inside for details. This event will run from 6:30 until 8:00 p.m.

April is also the host month for *Easter Sunday & Passover*, so whichever your family celebrates; may it be filled with love, peace, & family! And remember that *Earth Day is Saturday, April 22nd*, so get out there and do something good for Mother Earth; clean up a public area, maybe a park or beach, and as always remember to RECYCLE, our future depends on it!

*Please remember to touch base with your legislators (either by phone, letter, or email) and let them know how you feel about MYSB programs & services. Please visit www.ct.gov and click on the legislative tab to find contact information for Montville's legislators, or give us a call and we will assist you!

Have an Amazing April Everyone!

~ Warm regards

Kid of the Month MARCH 2017

Jake has been part of our ASP for 3 years now and he is one of the greats! Jake can be found in the homework room most days earning Kid Kash and is always willing to help one of his peers with figuring out a problem! He doesn't forget to have fun either! When his homework is done, he spends his time hanging with friends or signing up for the newest ASP Program!

Jake is kind and respectful to the staff and his peers and surrounds himself with an awesome group of friends!

We love that Jake has a dry sense of humor that he always shares with the staff!
