Direct Dialogue

March sure was a long month since winter decided to hold on a little longer (pesky groundhog!), but the month still flew by here at MYSB since we packed it with so many fun things! Check out our Facebook page for a monthly recap of all of our cool March events & programs, from **Shamrock Shakes**, to March Madness & so much more!

MYSB would like to thank Dr. Ruth Potee for her informative and important presentation on brain development, addiction, and mental health. Though sparsely attended, those who did come left with a better understanding of addiction and gained a stronger knowledge base on ways they can help to combat the opioid crisis! Dr. Potee will be returning in the fall of this year for a parent and student assembly at the Middle School!

April is also the host month for **Easter Sunday & Passover**, so however your family celebrates; may it be filled with love, peace, & good eats! **Earth Day is Sunday, April 22nd**, so get out there and do something good for Mother Earth; clean up a public area; a park or beach, and remember to **RECYCLE**, our future depends on it! This year MYSB employees and a group of our friends will be participating in the Walking for a Cure for Multiple Sclerosis Event on the 22nd at Harkness Park...making a *world of difference* can be realized outside of our own program! Speaking of making a difference, please be sure to mark your calendars for Tuesday April 17th when MYSB will host a **Red Cross Blood Drive** at the Montville Community Center from 11:00 a.m. until 4:30. Please consider donating & you can help save lives!

Take a peek inside “the scoop” for more upcoming spring events & programs!

*Please remember to touch base with your legislators (either by phone, letter, or email) and let them know how you feel about MYSB programs & services. Please visit www.ct.gov and click on the legislative tab to find contact information for Montville’s legislators, or give us a call and we will assist you!

Have an Awesome April Everyone!

Kid of the Month

March 2018

Lily has been part of our After School Program for a few years and we have truly enjoyed having her in our family!

Lily spends her time here working on her homework and hanging with friends (which sometimes includes her sister)! Lily is friendly and is always willing to help out her peers with homework, when the staff is outsmarted by the questions! Lily is also quite the athlete and usually gives the boys a run for their money! We have watched Lily and the “princess inside” grow and come out of her shell!

Keep being you, Lil, because we think you are the best!

Way to go!

Lily Corrice
