As August approaches the countdown to back-to-school begins...well for many parents it most likely begins! July was a busy month for us here at MYSB's summer program with movie days, field trips, and art projects galore! August is shaping up to be just as busy! We also spend a good deal of time this month planning for the start of the 2010-2011 After School Program, which is currently at its 65 slot capacity! We have a small waiting list generated, but expect that it will grow (as it usually does) as the year progresses...but this just a testament to what a cool program it is and how much fun we have all school year long! We look forward to meeting some new kids this year, as well as eagerly anticipating the return of so many of our "veteran" attendees! We have many cool things planned for the new school year and encourage you to keep your eye out for the Fall Montville Community Booklet which will cover all our events and activities from September 2010 through January 2011!

We sincerely hope that you all have had a safe and happy summer and we look forward to another busy and successful school year! Enjoy the rest of summer, be safe and have an Awesome August!

Warm regards ~
