Direct Dialog

Well, June wrapped up with the start of our very popular MYSB Summer program which began on June 28th and in typical MYSB fashion we started the summer off with FUN... a trip to Six Flags! The summer center kids just love going to amusement parks, so we try to not disappoint them, and as always they have a great time! In fact our summer program is loaded with lots of fun trips and other cool activities as well, so I guess that is why we filled all of our program slots in just one day! In the mean time we spend much of our summer planning for the new school year and the 2010-2011 After School Program which also fills all 65 slots in record time. We are also busy with some of our prevention initiatives around the topics of underage drinking, youth tobacco use, bullying, gambling addiction, and other areas of concern within the Montville community. Keep your eyes open for some of our campaign projects around town!

One of our goals this summer is to partner with Southeastern Regional Action Council (SERAC) on developing and implementing programs that promote positive youth development, youth leadership skills, and raise community awareness around topics of concern. Our hope is to administer a survey in our schools this fall for grades 7-10 to capture data that will give us a snapshot of what the areas of concern are in Montville and how we need to go about addressing them.

Summer is the season when we all spend so much of our time at cook-outs, beach parties, and hanging at the beach. It is easy to get caught up in the fun and sometimes forget to think about safety! So wear your sunscreen, watch out for motorcycles, leave the fireworks to the professionals, and be smart about your choices when it comes to driving! If you are underage, stick to the Gatorade! Stay cool!

Have a Jammin' July!

Warm regards
