June 2019

Volume 20

Issue 6

As we jump into the month of June the MYSB afterschool program comes to the close of another successful school year! Many new and exciting memories were made this past school year in our ASP family and these can never be duplicated! Each school year also brings new transitions for our students as they move onto a new grade, and some even to a new school. These kids become a big part of our lives, and the time we share with them leaves a lasting impression in our hearts. Most of our kids stay in the ASP for 5 plus years, so we literally watch them grow up before our eyes! Please see inside for our recognition of both past and present MYSB ASP treasures who are graduating this year. Some moving on to college, others the military, others off to high school, and middle school; & even still others moving on from college! Yikes, time flies!

Congratulations Graduates, we are proud of you all! We wish you all a future filled with happiness, health & success!

As we wrap up this school year and begin both re-registration & new registration for the 2019-2020 ASP, we are also busy organizing our plans for our summer center program, so even though June is supposed to be our "wind-down" month, we still remain busy getting ready for summer!

Thank you to all the staff, volunteers, families, residents & students who gave so much of their time and energy to the MYSB program this past year!

*Please remember during this Prom & Graduation season to keep these special occasions a happy time for all of our families', so please be safe! Making responsible decisions may not always seem like the "popular" thing to do, however it is the smartest & safest thing to do!

Have a Safe, Sunny, & Sensational Summer!

Kid of the Month

May 2019

This is Adam's first year in the ASP and he has made quite the impression! Adam is a great kid, who is kind and friendly to everyone he meets.

Adam loves to be outside, or hanging with his friends. He also has a love for popcorn (even though it takes soooo long to start popping), and he will always leave you with a smile on your face!

Keep being you, Adam,
we think you rock!
