

# **Kid of the Month**

**January 2010**

**Mikhel Pagan**

**This is Mikhel's second year in the ASP and she has made her mark on the program! Her favorite place to be is out on the playground playing football or basketball, you name it she can do it! Mikhel is an all around athlete with exceptional sportsmanship! Mikhel is involved with just about every activity the ASP has to offer! She participates in all of our events and programs, including our brand-new karate class! Mikhel has a great personality and has tons to offer everyone in the program, staff included!**

**Keep up the great work, Mikhel!**
