

Kid of the Month

January 2012

Taylor is in her first year of the ASP and she has already become one of our shining stars! Taylor has a great personality! She is friendly and out-going with everyone! Taylor is a member of our Kid Kash Klub and always makes sure she gets her homework done before heading out to the playground to play a game or hang with friends. She is a great role model for all the kids in our program. She is polite and always laughs at the staff's jokes!

Keep up the good work,
Taylor "Not-So-Swift"!
