

KID OF THE MONTH!

Emily Hailu

January 2013

This is Emily's first year in the After School Program and she has quickly become a shining star!! Emily is a great role model for all the kids in the ASP. She is polite and friendly with everyone in the program! She is an active member of our "Kid Kash Klub" and still finds plenty of time to hang out with her friends! Emily has a great sense of humor and enjoys all of the activities that we offer! We are so happy that Emily is part of our ASP!

Keep up the great work, Emily!!
