

Kid of the Month

January 2015

Rodolfo has been part of our ASP for what seems like forever! Rodolfo is a great kid with the best personality! When Rodolfo isn't asking you "would you rather?" questions he can be found hanging out with his friends, usually laughing or making someone laugh. Rodolfo is outgoing and will talk to anyone here. (We would never use the word 'shy' to describe him!)

Rodolfo makes sure to get his homework done when he gets here so he can earn Kid Kash! But once his homework is done... it is all fun and games for him! Rodolfo is polite and respectful to everyone and is a wonderful part of our ASP Family. We hope that we never have to say "ADIOS" to him!

Keep being you, Rodolfo!!
