

Kid of the Month

January 2019

Justin has been part of our ASP family for three years now and he is a bright spot in our program! Justin has a great sense of humor, and always appreciates a good “Patriots” joke!

Justin enjoys a good game of football outside with his friends! He is nice to everyone, and is always the first to participate in any of our activities or events!

Keep being you, Justin, we think you are awesome!

“Chop, Chop!”
