

Kid of the Month!

Madeline is in her second year of the ASP and to be truthful... she is one of our best! Madeline is an all around great kid, who has a great sense of humor and enjoys sarcastic conversations.

What we love the most about Madeline is her contagious smile, and her kindness towards everyone.

Madeline is her own person with her stylish outfits, complete with a fox on her ankle!

Keep being you, Madeline, you're pretty great!
