

Kid of the Month

Peyton McNichol

February 2012

Peyton is in his first year of the ASP and is a great addition to the program! Peyton is a very active member of the Kid Kash Klub and is very responsible about getting all his homework done before he heads outside for fun! Peyton is always up for any game, whether its on the playground or just a good game of chess! He is a great role model for his peers, he is respectful and friendly with everyone! He also has a great taste in football teams! (Go Giants!) We are so proud of your brother for his great game at the superbowl!!

**Keep up the good work,
Peyton!**
