Lily May

Lily May is in her first year of the ASP and has quickly become one of our greats! Lily is a very active member of our Kid Kash Klub and always gets her homework done here. Lily is respectful and polite to everyone. She has a ton of friends in the ASP, which is easy to do when you are as nice as she is!

We can always count on Lily for her great smile and her upbeat personality, as well as her amazing "knock, knock" jokes!

Keep up the great work, Lily!
