

Kid of the Month

Abrielle Ayala

Abrielle Ayala is in her second year of the ASP and quickly became one of our shining stars!! Abrielle is anything but the quiet girl she was when she started last year! She is outgoing, friendly and has a huge heart! When Abrielle isn't getting her homework done, she can be found hanging out with friends, playing board games and being a goofball! She's friends with everyone and always makes sure to include all her peers in on the fun! She is also a fierce big sister!

Abrielle is polite and respectful and always willing to help any of the staff with anything they ask! We are so happy that Abrielle is part of our ASP Family!

Keep up the great work, girl!!
