

# Kid of the Month

## February 2016

Alan Frank has been part of our program for three school years and he is such a great part of it! Alan "Bacon Hater" Frank is an all around great kid who is nice to everyone and has a pretty terrific

personality! Alan has the best sense of humor and loves to joke around with his friends and the staff! Alan is always down for a good game of chess or just a great conversation! If we could only get him to tie his shoes....

Keep being you, Alan,  
because you're pretty awesome!!
