

# Kid of the Month

**FEBRUARY 2017**

Yalitza has been part of our ASP for three years now, and it's safe to say she has made herself at home! Litza is outgoing and funny, and enjoys a good joke! She has a very sassy personality that always keeps us all on our toes!

Litza is responsible and respectful. She spends her time getting her homework done and hanging out with her friends! We can always count on her to keep it real with us! She is a wonderful part of our program!

**Keep being you Litza,  
because you are truly one of a kind!**
