

# Kid of the Month

February 2018

**Xavier has been part of our ASP family for a few years now and he is one of our shining stars! Xavier is outgoing and friendly. He has a great sense of humor, and always enjoys a good laugh with his friends and staff!**

**One of the things with love about Xavier is how he treats all his peers equally, with respect and with a smile! Xavier spends his time at the Youth Center getting his homework done and then it's outside for him! He enjoys participating in all the Youth Center activities!**

**Keep being you, X, because you are one of a kind!!**

**Way to go, Xavier!!**
