

Kid of the Month  
March 2010  
Brooke Milefski

Brooke is a wonderful asset to the ASP. She has been attending the ASP for five school years and continues to shine! You can always count on Brooke for a great conversation! She also enjoys helping staff with Arts & Crafts projects (and anything else we have up our sleeves!). She is positive, friendly and very outgoing! She is a great role model to all the kids who come to the Youth Center. We can always count on Brooke to participate in many of our activities and to have a brightly colored outfit on!

Keep up the great work, Brooke!!
