

KID OF THE MONTH!

Fernanda Reyes

March 2013

Fernanda has been part of our ASP for several years now and what a great part she is! “Fernandita” has a great sense of humor and always makes everyone around her laugh! She spends most of her time here with her friends goofing around, hanging outside, or doing arts and crafts projects! She gets along great with everyone in the program and is always quick to point out that “we are only in 7th grade!”

Fernanda is a great role model for the younger kids in our program as she is just an all around great young lady! We are so happy that she continues to be a part of our program and keeps us laughing everyday...as long as she doesn’t get lost! :)

Keep up the great work, Fernanda!
