

Steven CHEN Kid OF the MONTH

This is Steven's first year of the ASP and he is such a great part of it! Steven is an all around awesome kid, who participates in everything we have to offer! He is a very active member of the Kid Kash Klub, enjoys playing games outside and loves to hang out with his ever growing group of friends! Steven is coming out of his shell here and we get to see his great personality more and more! He is very easy going and is friends with everyone!
