

Kid of the Month

March 2017

Jake has been part of our ASP for 3 years now and he is one of the greats! Jake can be found in the homework room most days earning Kid Kash and is always willing to help one of his peers with figuring out a problem! He doesn't forget to have fun either! When his homework is done, he spends his time hanging with friends or signing up for the newest ASP Program!

Jake is kind and respectful to the staff and his peers and surrounds himself with an awesome group of friends!

We love that Jake has a dry sense of humor that he always shares with the staff!

Keep being you, Jake!!
