

Kid of the Month

March 2018

Lily has been part of our After School Program for a few years and we have truly enjoyed having her in our family! Lily spends her time here working on her homework and hanging with friends (which sometimes includes her sister)! Lily is friendly and is always willing to help out her peers with homework, when the staff is outsmarted by the questions! Lily is also quite the athlete and usually gives the boys a run for their money! We have watched Lily and the “princess inside” grow and come out of her shell!

Keep being you, Lil, because we think you are the best!

Way to go!
