

# Kid of the Month

## April 2010

# Kyle Wilson

Kyle Wilson is enjoying his first year in ASP and is fitting in quite nicely. Kyle has a great personality, a terrific sense of humor and displays excellent phone etiquette! He has been busy this spring with baseball, but always has time to come hang out at the center and can always make us laugh! Kyle is responsible and respectful of the staff, which makes him an outstanding role model for all the kids in the program!

Keep up the great job, Kyle!
