

Kid of the Month Saraiya Mack

April 2015

Saraiya has been part of the ASP Family for two years, but we have known her for much longer! Saraiya is a sweet girl with a heart of gold! She is nice to everyone and always does her best to make sure she includes everyone! Saraiya is part of our Kid Kash Klub and participates in all of our programs! She enjoys hanging out with her friends, play board games and coloring! Saraiya is always willing to lend a hand to help others! She is polite and respectful. Saraiya always brightens the day with her friendly face. She is a great role model for all the kids in our program!

**Keep being you, Saraiya,
because YOU are awesome!!**
