

Kids of the Month

April 2017

Ladies and Gentleman... **it's Hammer Time!**
This month we couldn't choose just one kid of the month, so we chose two kids of the month! Chloe and Juliette Hammer are new to the ASP this year and we think that they are two of the greatest kids, who know how to bake the best pies! Chloe has a terrific personality and we can always count on a smile from her! Juliette is friendly and outgoing with a great group of peers that she spends her time with! Both girls (and their parents!) are truly wonderful additions to our MYSB Family and we are so happy they are part of it! Keep being you girls because we think you rock!
