

May 2014 Reagan Anderson

This is Reagan's first year in the ASP and she quickly proved that she fit right in with the silly crowd!! She is one of our most active participants and can be found running around on the playground with all her friends here! She is friendly and nice to everyone. Around here we call her "Chicken"—but, you'll have to ask her or Barb if you want to know why! She has a great sense of humor and isn't afraid to be herself! We also hear she is quite the first baseman in softball! Reagan is a great part of the program!

Keep being awesome, Reagan!!
