

This is Adam's first year in the ASP and he has made quite the impression! Adam is a great kid, who is kind and friendly to everyone he meets. Adam loves to be outside, or hanging with his friends. He also has a love for popcorn (even though it takes soooo long to start popping), and he will always leave you with a smile on your face!

Keep being you, Adam,  
we think you rock!

**Adam**
