

# Kid of the Month

Summer 2017

**Amari has been part of our program for a few years now and he is one of our stars! Amari is positive and ready to participate in any program we have! He is also a very important part of the Montville Youth Action Council! He is quick to volunteer to help and always does with a smile! He is easy going, funny and kind to everyone! He is our biggest fan and will let everyone know how much he loves being part of our family! We are proud to call him MYSB Family!! Thanks for being so awesome, Amari!!**
