

Kid of the Month

September 2009

Casey MacCracken

Casey is one of the “new kids” at the center and in a short time has become one of gang! Casey always comes to the center with a smile and is enthusiastic about everything he does! We found out quickly that Casey was a leader on the playground with his great sportsmanship! He is friendly and outgoing and friends with everyone! He is a great role model for all the kids in the program! He is a truly wonderful addition to the program!

Keep up the good work, Casey!
