

Logan Leonard

September 2017

Logan is in his second year of the ASP and we are really seeing him come out of his shell! Logan can be found outside (or in the gym) most days throwing the football or playing any game the staff has organized! He is polite and respectful to everyone in our program! Logan has a great personality and is a wonderful addition to our ASP family! Now, if we could only get him to stop wearing his Patriots gear....

Way to go, Logan!

Kid of the Month
