

# Kid of the Month

## September 2018

**Jenna has been part of our ASP family for 4 years now, and she definitely knows how to keep us on our toes! Jenna is friendly and outgoing, but will always prefer her books to people! She spends more time in the homework room doing her homework and helping her peers than she does outside! This year Jenna participated in our Summer Center and had a blast! She conquered roller coasters and scary rides, and even swam in the ocean! Jenna is sarcastic, smart and is truly one of a kind!**

**Way to go, Jenna!**
