

# Kid of the Month

OCTOBER 2008

Frances Yu

Frances is new to the ASP this year, but she is already fitting in very nicely! Frances is quiet at first but once she warms up to you, she is friendly and creative! She enjoys arts and crafts projects and is always full of fun facts for the staff! She was very quick to pick up the staff's silly sense of humor! She also teaches other ASP participants and staff about illusions!!

Frances is great to have at the center. She is polite and friendly!

Keep up the good work, Frances!!
