

Kid of the Month

October 2009

Sarah May

Sarah May is in her first year at the ASP and has quickly become one of our many shining stars. Sarah enjoys all of the activities we have to offer and always does so with a smile on her face! She spends her time hanging with friends, doing arts and crafts/coloring and completing her homework (earning "Kim Kash" dollars)! She is quiet at first, but warms up quickly and is also quick to laugh at the staff's jokes, even when they aren't funny! She is a great role model for all the kids in the program! Keep up the great work!

Congratulations, Sarah!!
