

KID OF THE MONTH

OCTOBER 2011

Darrick (with an “a”) is new to the ASP this year, but has already proved to be one our new shining stars!! Darrick has warmed up quickly to the ASP and is friendly and respectful to everyone that attends! He spends his time working on homework, running around outside, hanging with friends or just offering a helpful hand whenever needed! Darrick is a great role model for all the students here! He has a great sense of humor and a very contagious smile!

Keep up the good work, Darrick!!
