

Kid of the Month

October 2014

Ella-Ella-Ella Lyons is in her second year of the ASP and she is such a wonderful part of our family! She is a great kid who is friends with everyone! She has a great sense of humor and loves to joke around with the staff. Ella spends her time at the Youth Center getting her homework done, hanging with her friends and making sure that everyone is included. One of Ella's best qualities is her HUGE heart! She always goes the extra mile to make someone feel welcome and special! Keep being you, Ella! You rock!!
