

Sarah May

Sarah May is a senior at Montville High School, and has been involved with Youth Services for many years! She participated in the After School Program and now volunteers in the ASP and Summer Center! She has been such an asset to our After School Program, helping with homework and being a friendly face to the kids in our program. Sarah is also a member of the Montville High School Youth Action Council, helping with the Stall Street Journal and upcoming Sandy Hook Green Out event. Sarah has grown into an amazing young woman who is so great at giving back to her community!

Thank you for being such a great part
of our family, Sarah!
