

# Kid of the Month

November 2009

## Xavier Larkie

This is Xavier's first year in the ASP and he has already become one of our shining stars. Xavier can almost always be found outside playing basketball, capture the flag or dodge ball. He always has great sportsmanship and is a great team player. If Xavier isn't outside, he is inside becoming quite the pool player and always enjoys a good game of Jenga or Connect Four! Xavier is enthusiastic about all the activities here at the center and is a great addition to our program!

Keep up the good work, Xavier!
