

Kid of the Month

Emily White

NOVEMBER 2011

Emily is in her second year in the ASP and is just one of our AWESOME kids! Emily is shy at first, but once she warms up, she is incredibly friendly. Emily is an active member of the Kid Kash Klub and uses her time to get her homework done! She is becoming a social butterfly among her friends. It's been great to watch her come out of her shell! She is a great role model for all the kids in the ASP and we look forward to all that she has to offer to this program in the future!

Keep up the great work, Emily!
