

# Kid of the Month

November 2014

**Justin Potter is in his second year in the ASP and he is one of our shining stars! Justin is an easy going kid, with a huge heart! He loves to spend his time on the playground playing any game, but also enjoys just hanging out with his friends!**

**Justin is always offering to help any of the staff, and is the best pencil sharpener in the Youth Center! He is friendly and welcomes everyone to any game or activity he is playing. He is an all around great kid!**

**Keep up the great work, Justin!!**
