

Kid of the Month

December 2015

Adam has been part of our ASP for three years now and is such a great part of it! Adam spends his time out on the playground hanging out with his friends, after homework is done, of course! Adam is one of the nicest kids we know, and is great about including everyone. Adam has a great personality with a wonderful sense of humor. Adam is a great role model for all the kids in our program!!

Keep being you, Adam, you're awesome!!
