

**Kid of the Month**

**December 2009**

**Loren Rickards**

Loren has been coming to the ASP for six school years and has been a very active part of the program. Loren enjoys hanging out with the staff and being extra helpful when it comes to projects and programs! Loren is a very active volunteer here at MYSB and has been involved with the Youth Action Council for several years. Loren is eager to participate in all of the programs and special events that we have here! He is a wonderful role model for the younger kids in the program! He truly is a great asset to our program! Thanks for all that you do!

Keep up the good work, Loren!
