

Kid of the Month

Samantha Stedman

DECEMBER 2011

"Sam Jean" has been in the ASP for several years and always keeps us on our toes here! She enjoys hanging out with friends and has recently developed an interest in doing her homework!

Sam is a great part of the ASP and we enjoy everything Sam has to offer! She has a great sense of humor, and is always good for a laugh or two!

Keep up the great work,
Samantha Jean!
