

Kid of the Month!

Angelina Sun

December 2012

Angelina is in her first year of the ASP and she has quickly found her place! Angelina is polite and respectful and has the best personality! She is a very active member of our Kid Kash Klub and always gets her homework done before hanging with her friends, doing arts and crafts projects or joking around with the staff! Angelina is also quite the fashionista!! We are so happy she is part of our program!

Keep up the great job, Angelina!!
