

Kid of the Month

Amanda Plantier December 2013

Amanda is brand new to our ASP, but she is a very welcome addition to our family. Amanda is quite the

social butterfly. She is incredibly kind and has a tremendous heart. She is friends with

everyone and never hesitates to let anyone join in a game or conversation. She is

friendly and outgoing and has a great per-

sonality. She takes time out from socializ-
ing to do her homework or to lend a helping

hand. Amanda enjoys all that the ASP has
to offer and we are so happy she is a part

of our program!
