

Kid of the Month

December 2017

Meghan has been part of our After School Family for quite a few years and she is one of our best! She is always up for a dance contest on the Wii, or ready to run around outside! She is outgoing and sassy, but that is what makes her great! Meghan also has a great sense of style! She also participates in every event we have here! We have really enjoyed watching her grow up in our program!

Thanks for being so great Meghan!!
