

Kid of the Month

MITCHELL BURDICK

September 2008

Mitchell is brand new the ASP this year and he has quickly become a great addition to the program! You can usually find Mitchell outside playing any sport or game that is offered! He is a competitor and has GREAT sportsmanship! When he isn't outside with his friends, he is inside working hard on his homework! Mitchell is polite and has a great sense of humor! He quickly picked up on the staffs sometimes wacky sense of humor! Keep up the good work and welcome to the ASP!!
