It is so hard to believe that summer is coming to a close in less than a month.....since September 23rd is the first day of autumn! Summer really flew, which as I get older seems to happen even faster! It seems like just a week ago we were telling all the ASP kids to have a fun & safe summer and here they are preparing to go back to school! At least the last weekend before school started was some of the best weather we had all summer! I hope that everyone took advantage of it. Well here at MYSB we are in ready, set, go mode for another busy school year. We would like to take this opportunity to welcome back all of our kids that re-registered for the ASP for another year, extend a warm welcome to some of our brand new ASP kids, and then bid farewell to some of our ASP kids that have moved on to become more involved in after school activities at their schools, or moved away from Montville:) Thanks for making memories with the MYSB Family! (Mitchell B., Kyle W., Hunter R., Brooke M., Casey M., Carly D., Talia W., Jordan K. Emily W., Josh F., Rachael F., & Allie S.)

All staff have had to tell their brains to wake-up and shift from "beach" mode back to "books" mode...because, yes, it is back... the thing dreaded by most kids (drum roll please.....) HOME-WORK! But, we are here to help ease the anxiety of both kids and parents alike and make this a successful year for your kids! We try not to plan too many activities in September so that we give everyone some time to get back in the academic groove, so-to-speak. We do have a few things on the agenda though, like "All Play, No Work Day" on September 18th, Family Day @ Harkness September 12th, and the infamous "Corn Maze" trip on September 24th (see inside for details). But gear up and be ready for a crazy busy October! We have tons of cool (both old & new) events planned for October. In the meantime have a Safe & Sensational September!

Warm regards ~

Kid Trivia!

Scientists recently discovered what they think could be the smallest frog, found outside of the America's, on a small Southeast Asian Island.

How big is this frog?

Answers will be accepted at the Youth Center until Friday September 24th! See Kim to answer!
