

KID OF THE MONTH

APRIL 2012

Jacob is one of our newer ASP participants and is also one of the most like-able kids in the program! He is friends with everyone in the program and treats everyone with respect! He's no "Angry Bird." He is outgoing and has a great sense of humor! Jacob spends most of his time hanging out with his friends, playing basketball and just having fun!

He is a great role model to all the kids in our program!

Keep up the great work Jacob!!
